ENJOY TOMORROW.

Technology journalism that arouses curiosity about the future—this is how the concept of inside digital can be briefly outlined. The editorial team covers tomorrow's news in the four main topics that are mobile phones, entertainment, the digital home and tech for on the go and dares to take an optimistic look into the future.

Topics include: Mobiles, Tablets, Laptops, Gaming, Streaming, E-Mobility, Wearables, Smart Home, Broadband

OUR MISSION.

*For a world full of **curiosity** and an **appetite for the future**. We provide **orientation, evaluate** current developments and **explain** what is to come. **Because we love innovation.***

We have given ourselves a new mission and "Enjoy tomorrow" is our new promise to you.

We want to spark your appetite for tomorrow by telling you exciting stories and keeping track of the latest innovations for you.

We intend to set a counterpoint to crises & co. and instead show how innovations can improve life. On every new day.
